

Guide Frame, Frame Size-2 4000A,4P Top Vertical, Bottom Vertical, With Safety shutter and 2x Aux Connectors

| Model                                           |                                    |
|-------------------------------------------------|------------------------------------|
| design of the product                           | AC                                 |
| number of poles                                 | 4                                  |
| size of the circuit-breaker                     | 2                                  |
| switching capacity class of the circuit breaker | S                                  |
| type of electrical connection                   | Suitablefor circuit breaker- 4000A |
| • for main current circuit                      | rear vertical                      |
| Net Weight                                      | 48 kg                              |
| Approvals Certificates                          |                                    |
| General Product Approval                        |                                    |

| Further information                                                                                                                                                                                                                                                          |
