Specifications

## braking resistor, Lexium MC12

LXMMCABR120S100

### Main

|                                    |                           |
|------------------------------------|---------------------------|
| Range of product                   | Lexium MC12 multi carrier |
| Accessory / separate part category | Electrical accessory      |
| Product or component type          | Braking resistor          |

### Complementary

|                  |         |
|------------------|---------|
| Quantity per set | 1 piece |
|------------------|---------|

### Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 4.5 cm  |
| Package 1 Width              | 40.0 cm |
| Package 1 Length             | 13.0 cm |
| Package 1 Weight             | 1.47 kg |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

Disclaimer: This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

[Environmental Data explained >](#)

[How we assess product sustainability >](#)

### Use Better

#### Materials and Substances

Packaging made with recycled cardboard

Yes

Packaging without single use plastic

Yes

EU RoHS Directive

[Compliant By Exemption](#)

REACH Regulation

[Reference contains Substances of Very High Concern above the threshold](#)

### Use Longer

#### Lifetime extension

Repair

No

### Use Again

#### Repack and remanufacture

Take-back

No

Product benefits / Features

---

The infographic features a central image of a Lexium MC12 terminal block with four curved arrows pointing towards the four benefit icons. The background is a solid light blue color.

### Benefits Lexium™ MC12

- Icon: Gear and lightning bolt**  
Increase machine performance and flexibility by up to 50%  
Increase your productivity and flexibility with a cost-effective, efficient, and wide range of products to choose from.
- Icon: Lightning bolt and speech bubble**  
Reduce your time to market by up to 30% with improved design speed and design quality of your machines.
- Icon: Clock**  
Achieve faster changeover time by a simple virtual commissioning and mechanical installation without any special tools.
- Icon: Magnifying glass over a graph**  
Increase OEE of the machines  
Get faster, flexible machines with less maintenance and a higher level of diagnostics.
