

# Product datasheet

Specifications

Solid neutral link, FuPacT GS, 630A to 800A, fuse type DIN 3, for internal neutral switched

LV481917

⚠ Discontinued on: 01 Dec 2024

⚠ To be discontinued

## Main

|                                    |                                                                                                      |
|------------------------------------|------------------------------------------------------------------------------------------------------|
| Product or component type          | Neutral link                                                                                         |
| Accessory / separate part category | Connection accessory                                                                                 |
| Range compatibility                | FuPacT FuPacT GS GSD630 switch-disconnector-fuse<br>FuPacT FuPacT GS GSD800 switch-disconnector-fuse |

## Complementary

|                         |                   |
|-------------------------|-------------------|
| Mounting mode           | Internal mounting |
| Connections - terminals | Screw             |

## Packing Units

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 3.500 cm  |
| Package 1 Width              | 8.500 cm  |
| Package 1 Length             | 15.500 cm |
| Package 1 Weight             | 319.000 g |
| Unit Type of Package 2       | S02       |
| Number of Units in Package 2 | 25        |
| Package 2 Height             | 15.000 cm |
| Package 2 Width              | 30.000 cm |
| Package 2 Length             | 40.000 cm |
| Package 2 Weight             | 8.295 kg  |

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

Excluding VAT and subject to change. Please check with your local distributor through "Where to buy"

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

[How we assess product sustainability >](#)

### Use Better

| Materials and Substances               |                                   |
|----------------------------------------|-----------------------------------|
| Packaging made with recycled cardboard | No                                |
| Packaging without single use plastic   | Yes                               |
| <a href="#">EU RoHS Directive</a>      | Compliant                         |
| REACH Regulation                       | <a href="#">REACH Declaration</a> |

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture |    |
|--------------------------|----|
| Take-back                | No |
