## DNV kit - for variable speed drive - ATV61/ATV71 - size 9

VW3A9629

⚠ Discontinued on: 14 Dec 2020

⚠ Discontinued

### Main

|                                       |                                                                               |
|---------------------------------------|-------------------------------------------------------------------------------|
| Accessory / separate part category    | Mounting and fixing accessories                                               |
| Accessory / separate part type        | DNV kit                                                                       |
| Accessory / separate part designation | DNV kit                                                                       |
| Product compatibility                 | ATV71HD90N4D<br>ATV61HD75M3X<br>ATV61HD90N4D<br>ATV71HD55M3XD<br>ATV61HD55M3X |
| Accessory / separate part destination | Variable speed drive                                                          |
| Range compatibility                   | Altivar 61<br>Altivar 71                                                      |
| Product specific application          | To satisfy the requirements of the DNV certification body                     |

### Complementary

|                 |                                                                                                                     |
|-----------------|---------------------------------------------------------------------------------------------------------------------|
| Kit composition | Shock-absorbing mounts<br>The mechanical fittings (profiles and brackets) required for fixing<br>Fixing accessories |
| Net weight      | 12.5 kg                                                                                                             |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|
