

# Product datasheet

Specifications

Ready to close contact (PF),  
MasterPact NT drawout, 1  
changeover contact, low level, 3A/  
240VAC

47433

## Main

|                             |                          |
|-----------------------------|--------------------------|
| Product or component type   | Auxiliary contact        |
| Device short name           | PF                       |
| Range compatibility         | Masterpact MasterPact NT |
| Signal contacts composition | 1 NO/NC                  |

## Complementary

|                         |                                                                                                                                                                                              |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Auxiliary contacts type | Low level                                                                                                                                                                                    |
| Mounting mode           | Drawout                                                                                                                                                                                      |
| Breaking capacity (A)   | DC-12: 0.15 A at 250 V DC<br>DC-12: 3 A at 24/48 V DC<br>AC-12: 3 A at 24/48 V AC 50/60 Hz<br>AC-12: 3 A at 240 V AC 50/60 Hz<br>DC-12: 0.3 A at 125 V DC<br>AC-12: 3 A at 380 V AC 50/60 Hz |
| Minimum load            | 2 mA at 15 V                                                                                                                                                                                 |

## Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 2.0 cm  |
| Package 1 Width              | 11.0 cm |
| Package 1 Length             | 5.0 cm  |
| Package 1 Weight             | 36.0 g  |

## Logistical informations

|                   |    |
|-------------------|----|
| Country of origin | FR |
|-------------------|----|

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Use Better

| Materials and Substances               |                                                                             |
|----------------------------------------|-----------------------------------------------------------------------------|
| Packaging made with recycled cardboard | Yes                                                                         |
| Packaging without single use plastic   | Yes                                                                         |
| EU RoHS Directive                      | <a href="#">Compliant</a>                                                   |
| REACH Regulation                       | <a href="#">Free of Substances of Very High Concern above the threshold</a> |
| Halogen-free status                    | Halogen free plastic parts product                                          |

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture |                                                                                                                                                                                                                 |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Take-back                | Yes                                                                                                                                                                                                             |
| WEEE Label               |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
