

# Product data sheet

Specifications

Power cable Daisy Chain, Lexium 62 ILM connection module to ILM distribution box, D1, UL, 10m

VW3E1158R100

## Main

|                           |             |
|---------------------------|-------------|
| Range of Product          | PacDrive 3  |
| Product or Component Type | Power cable |

## Complementary

|                                       |                                                                      |
|---------------------------------------|----------------------------------------------------------------------|
| Range Compatibility                   | Lexium 62                                                            |
| Product compatibility                 | LXM 62 connection module<br>LXM 62 distribution box                  |
| Connector type                        | D1, elbowed shape                                                    |
| Accessory / separate part destination | 24 V DC bus<br>Connector for safe torque off safety function signals |
| Cable length                          | 32.8 ft (10 m)                                                       |
| Net Weight                            | 5.22 lb(US) (2.37 kg)                                                |

## Ordering and shipping details

|      |               |
|------|---------------|
| GTIN | 3606489501624 |
|------|---------------|

## Packing Units

|                        |                         |
|------------------------|-------------------------|
| Unit Type of Package 1 | PCE                     |
| Nbr. of units in pkg.  | 1                       |
| Package 1 Height       | 2.7 in (6.8 cm)         |
| Package 1 Width        | 15.9 in (40.3 cm)       |
| Package 1 Length       | 15.9 in (40.3 cm)       |
| Package weight(Lbs)    | 7.619 lb(US) (3.456 kg) |

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

[Environmental Data explained >](#)

[How we assess product sustainability >](#)

### Use Better

| Materials and Substances               |    |
|----------------------------------------|----|
| Packaging made with recycled cardboard | No |
| Packaging without single use plastic   | No |

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture |    |
|--------------------------|----|
| Take-back                | No |
