

# Product data sheet

Specifications

IEC Starter, TeSys LE1, full voltage, non reversing, 40A rated, with 60A fusible disconnect, 30HP at 575VAC, 120VAC 50/60 Hz coil, NEMA 1

LE1D408C62OG70

## Main

|                           |                      |
|---------------------------|----------------------|
| Product or component type | Full voltage starter |
| Range of product          | Instakits            |
| Starter Type              | Non reversing        |
| Disconnect Type           | fusible disconnect   |

## Complementary

|                         |                                                                                                                                                                  |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Control Circuit Voltage | 120 V AC 50/60 Hz                                                                                                                                                |
| Current Rating          | 40 A                                                                                                                                                             |
| Horsepower Rating       | 5 hp 240 V AC, 1 phase<br>10 hp 208 V AC, 3 phases<br>10 hp 230 V AC, 3 phases<br>3 hp 120 V AC, 1 phase<br>30 hp 460 V AC, 3 phases<br>30 hp 575 V AC, 3 phases |
| Maximum Voltage Rating  | 600 V AC                                                                                                                                                         |
| Auxiliary Contacts      | 1 NO + 1 NC                                                                                                                                                      |
| Protection type         | Switch-disconnector fuse 60 A                                                                                                                                    |
| Location of connection  | Line                                                                                                                                                             |

## Environment

|                        |                  |
|------------------------|------------------|
| Product certifications | IEC<br>CSA<br>UL |
| Enclosure Type         | NEMA 1 steel     |

## Packing Units

|                              |                           |
|------------------------------|---------------------------|
| Unit Type of Package 1       | PCE                       |
| Number of Units in Package 1 | 1                         |
| Package 1 Height             | 11.00 in (27.94 cm)       |
| Package 1 Width              | 13.00 in (33.02 cm)       |
| Package 1 Length             | 29.00 in (73.66 cm)       |
| Package 1 Weight             | 41.500 lb(US) (18.824 kg) |

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

[Environmental Data explained >](#)

[How we assess product sustainability >](#)

### Use Better

| Materials and Substances               |     |
|----------------------------------------|-----|
| Packaging made with recycled cardboard | Yes |
| Packaging without single use plastic   | Yes |
| PVC free                               | Yes |

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture |                                                                                                                                                                                                                 |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Circularity Profile      | No need of specific recycling operations                                                                                                                                                                        |
| Take-back                | No                                                                                                                                                                                                              |
| WEEE Label               |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
