

Programmable Controllers

Section 1.0: HEC—Hardware

Section 1.1—Modicon® Quantum™ PLC—continued

Catalog No.	Description	Price \$	Disc. Sched.	Cat.
Remote I/O Accessories				
52-0370-000	Remote I/O Cable System, Self Term. BNC Adapter (for R911)	48.00	PC41	18225
52-0399-000	Non Quad Shield RG-6 Self Terminating F Adapter	54.00	PC41	18225
52-0402-000	RIO Right Angle F Connector	3.20	PC41	18225
52-0411-000	Quad Shield RG-6 Self Terminating F Adapter	54.00	PC41	18225
52-0422-000	RIO Trunk Terminator	107.00	PC41	18225
52-0487-000	Non Quad Shield RG-6 Self BNC Connector	6.40	PC41	18225
52-0614-000	Female F Connector to Male BNC Adapter	7.60	PC41	18225
60-0513-000	In-line RIO BNC Terminating Adapter	49.10	PC41	18225
60-0545-000	RIO Ground Block with F Connectors	3.90	PC41	18225
97-5750-000	Quad Shield RG-6 Trunk/Drop Cable, 1000 ft.	806.00	PC41	18225
97-5951-000	RG-11 RIO Truck Cable, 1000 ft.	1563.00	PC41	18225
AS-MBII-003	Quad Shield RG-6 Drop Cable, 50 ft.	92.00	PC21	18155
AS-MBII-004	Quad Shield RG-6 Drop Cable, 140 ft.	139.00	PC21	18155
MA-0185-100	14 dB RIO Tap	206.00	PC30	18200
MA-0186-100	RIO Splitter	206.00	PC30	18200
MA-0329-001	Quad Shield RG-6 F Connectors (10 per package)	119.00	PC41	18225
60-0558-000	Cable Cutters	76.00	PC41	18225
490RIO00400	Coaxial cable stripping tool for RG6 and RG11 cable	132.00	PC41	18225
490RIO00406	RG6 Replacement Blade Pack for the 490RIO00400 Coaxial cable stripping tool	39.30	PC41	18225
490RIO00411	RG11 Replacement Blade Pack for the 490RIO00400 Coaxial cable stripping tool	39.30	PC41	18225
60-0544-000	RG-6 Crimp Tool for F Connectors	141.00	PC41	18225
Quantum Accessories				
140XCP20000	Quantum Personality keying kit for I/O modules, quantity 60 keys/kit	27.50	PC21	18155
140XCP40100	Quantum accessories, 19 inch EIA rack mount brackets for 10 slot backplane 140-XBP-010-00, front rail mount, 125 MM	135.00	PC21	18155
140XCP40200	Quantum accessories, 19 inch EIA rack mount brackets for 10 slot backplane 140-XBP-010-00, rear rail mount, 20 MM	135.00	PC21	18155
140XCP50000	Quantum accessories, Empty module without terminal strip, used for pre-wiring backplane slots	47.90	PC21	18155
140XCP51000	Quantum Empty module with door for use as Rack Filler	54.00	PC21	18155
140XCP60000	Quantum accessories, Terminal strip jumper kit quantity 12/kit	34.80	PC21	18155
140XSM00200	Quantum Discrete input simulator, 16 switches for use with DAI540 OR DAI740 modules (Replaces 140XTS00200 connector when in use)	433.00	PC21	18155
140XSM01000	Quantum Analog Simulation Module, 2 Potentionmeters, 1 Meter, Best used with Quantum 140 AMM 090 00 Analog Combination Module	1355.00	PC21	18155
140XSM40010	Quantum Demo Workstation for 110 VAC includes: • A high end Quantum CPU, 140CPU43412A • 16 point discrete simulator to emulate I/O inputs • Analog simulator including one meter and two variable 4-20 mA current P/S • Discrete and Analog I/O modules to connect to the simulators mentioned above • Modbus programming cable • Modbus Plus 3 node cable, to interconnect simulators and show the MB+ industrial network • Remote I/O interface to connect I/O drops to the simulator • Ethernet NOE 771 Communication card with Web Server functionality • Smoked Plexiglas stand with fold-down legs and a black soft-sided case • All Quantum Technical Documentation on CD • Concept AND ProWorx Demo Software	4600.00	SERV	18092
140XSM40020	Quantum Demo Workstation for 220 VAC includes: • A high end Quantum CPU, 140CPU43412A • 16 point discrete simulator to emulate I/O inputs • Analog simulator including one meter and two variable 4-20 mA current P/S • Discrete and Analog I/O modules to connect to the simulators mentioned above • Modbus programming cable • Modbus Plus 3 node cable, to interconnect simulators and show the MB+ industrial network • Remote I/O interface to connect I/O drops to the simulator • Ethernet NOE 771 Communication card with Web Server functionality • Smoked Plexiglas stand with fold-down legs and a black soft-sided case • All Quantum Technical Documentation on CD • Concept AND ProWorx Demo Software	4600.00	SERV	18092
140XTS00100	40 Point I/O Terminal Strip Connector, IP20 Finger Safe	53.00	PC21	18155
140XTS00200	Quantum accessories, 40 point I/O terminal strip	34.80	PC21	18155
140XTS00500	7 Point Power Supply Terminal Strip Connector, IP20 Finger Safe	26.30	PC21	18155
140XTS33200	Quantum accessories, 40 point, IP20 intrinsically safe blue field wiring connector	66.00	PC21	18155
990NAA26320	Programming Cable, RS232, 3.7m (12'), IBM AT	62.00	PC21	18150
990NAA26350	Programming Cable, RS232, 15.5m (50'), IBM AT	135.00	PC21	18150
990XCA65609	Fiber Optic Cable, 10 ft., for Quantum CHS System	102.00	PC21	18150
990XCP98000	Quantum CPU Battery	34.80	PC21	18150
990XTS00300	B200 Conversion Connector	108.00	PC21	18155
