## phase barrier - 3 poles - for EZC100 - set of 2

EZAFASB2

⚠ Discontinued on: 1 Dec 2024

⚠ To be discontinued

### Main

|                                |                                                                                       |
|--------------------------------|---------------------------------------------------------------------------------------|
| Product or component type      | Phase barrier                                                                         |
| Range compatibility            | EasyPact EasyPact EZC EZC100<br>EasyPact EasyPact CVS CVS100BS<br>GoPact R MCCB GR12T |
| Accessory / separate part type | Insulation accessories                                                                |
| Poles description              | 3P                                                                                    |
| Quantity per set               | Set of 2                                                                              |

### Complementary

|                   |                  |
|-------------------|------------------|
| performance level | F<br>H<br>B<br>N |
|-------------------|------------------|

### Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 0.3 cm  |
| Package 1 Width              | 8.0 cm  |
| Package 1 Length             | 12.5 cm |
| Package 1 Weight             | 13.0 g  |
| Unit Type of Package 2       | S03     |
| Number of Units in Package 2 | 500     |
| Package 2 Height             | 40 cm   |
| Package 2 Width              | 30 cm   |
| Package 2 Length             | 30 cm   |
| Package 2 Weight             | 7 kg    |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

Excluding VAT, FCA Jabal Ali & are subject to change – check with your local distributor.

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

[Environmental Data explained >](#)

[How we assess product sustainability >](#)

### Use Better

| Materials and Substances               |     |
|----------------------------------------|-----|
| Packaging made with recycled cardboard | Yes |
| Packaging without single use plastic   | No  |

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture |    |
|--------------------------|----|
| Take-back                | No |
