## regular firmware for PowerLogic A5-V321

REL52575

### Main

|                           |                    |
|---------------------------|--------------------|
| Range of product          | PowerLogic         |
| Product or component type | Firmware component |
| Device short name         | A5-V321            |

### Complementary

|             |                                                  |
|-------------|--------------------------------------------------|
| Information | Configurable option not to be ordered separately |
|-------------|--------------------------------------------------|

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|
