

# Product datasheet

Specifications

Expansion unit, Harmony P6,  
advanced box PCI unit; PCIe:  
Revision 3.0, 1 lane (x1), for  
configured products

HMIYP6ESPCECTO

## Main

|                           |                |
|---------------------------|----------------|
| Range of product          | Harmony P6     |
| Product or component type | Expansion unit |

## Complementary

|                                       |                  |
|---------------------------------------|------------------|
| Accessory / separate part destination | modular box PC   |
| Integrated connection type            | PCI express slot |
| Range compatibility                   | Harmony P6       |

## Environment

|                                       |                         |
|---------------------------------------|-------------------------|
| Ambient air temperature for operation | 0...55 °C               |
| Ambient air temperature for storage   | -30...70 °C             |
| Relative humidity                     | 5...95 % non-condensing |

## Packing Units

|                              |          |
|------------------------------|----------|
| Unit Type of Package 1       | PCE      |
| Number of Units in Package 1 | 1        |
| Package 1 Height             | 17.8 cm  |
| Package 1 Width              | 29.9 cm  |
| Package 1 Length             | 39.8 cm  |
| Package 1 Weight             | 1000.0 g |

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

Disclaimer: This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Use Better

| Materials and Substances               |                                                                                        |
|----------------------------------------|----------------------------------------------------------------------------------------|
| F-gas free                             | Only air and vacuum used for insulation / breaking, no F-gas including SF6             |
| Packaging made with recycled cardboard | No                                                                                     |
| Packaging without single use plastic   | No                                                                                     |
| SCIP Number                            | 3e485f57-089b-461f-87ef-eb75768c4245                                                   |
| EU RoHS Directive                      | <a href="#">Compliant By Exemption</a>                                                 |
| REACH Regulation                       | <a href="#">Reference contains Substances of Very High Concern above the threshold</a> |
| Halogen-free status                    | Product contains halogen above thresholds                                              |
| PVC free                               | No                                                                                     |
| Silicone-free                          | No                                                                                     |

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture        |                                                                                                                             |
|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| End of life manual availability | No need of specific recycling operations                                                                                    |
| Take-back                       | No                                                                                                                          |
| WEEE Label                      | The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
