## Ethernet copper cable for IP67 switch - M12 connector - 25 m

TCSECL1M1M25S2

⚠ Discontinued on: Jan 23, 2021

⚠ Discontinued

### Main

|                                       |                                       |
|---------------------------------------|---------------------------------------|
| Range of Product                      | ConneXium                             |
| Accessory / separate part category    | Connection accessories                |
| Accessory / Separate Part Type        | Connecting cable                      |
| Product or Component Type             | Ethernet copper cable for IP67 switch |
| Accessory / separate part destination | Ethernet box<br>Ethernet switch       |
| Cable length                          | 82.02 ft (25 m)                       |

### Complementary

|                       |                                                       |
|-----------------------|-------------------------------------------------------|
| Range Compatibility   | Transparent Ready<br>Modicon M340 automation platform |
| Electrical connection | 2 male connectors, M12 straight 4 D coding            |
| Conductor material    | Copper                                                |

### Environment

|                         |      |
|-------------------------|------|
| IP Degree of Protection | IP67 |
|-------------------------|------|

### Ordering and shipping details

|                   |                                    |
|-------------------|------------------------------------|
| Category          | 18407-WORLD SERVICE PARTS(SENSORS) |
| Discount Schedule | T                                  |
