

# Product datasheet

Specifications

## cable for pulse/direction signal, Lexium SD3, 5V, 3m

VW3S8208R30

⚠ Discontinued on: 31 Mar 2023

⚠ To be end-of-service on: 31 Mar 2028

⚠ To be discontinued

### Main

|                                       |                                                        |
|---------------------------------------|--------------------------------------------------------|
| Accessory / separate part designation | Cable for pulse/direction signal                       |
| Accessory / separate part type        | Connecting cable                                       |
| Accessory / separate part category    | Connection accessories                                 |
| Accessory / separate part destination | Between stepper drive SD326 and motion controller TLM2 |
| Range compatibility                   | Lexium SD3                                             |
| Cable length                          | 3 m                                                    |

### Complementary

|                              |                                                                  |
|------------------------------|------------------------------------------------------------------|
| Product compatibility        | SD326                                                            |
| [Uc] control circuit voltage | 5 V                                                              |
| Electrical connection        | 1 connector 24-pole Molex (SD326)<br>1 connector SUB-D 15 (TLM2) |

### Packing Units

|                              |       |
|------------------------------|-------|
| Unit Type of Package 1       | PCE   |
| Number of Units in Package 1 | 1     |
| Package 1 Height             | 3 cm  |
| Package 1 Width              | 40 cm |
| Package 1 Length             | 30 cm |
| Package 1 Weight             | 1 kg  |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

[Environmental Data explained >](#)

[How we assess product sustainability >](#)

### Use Better

| Materials and Substances               |     |
|----------------------------------------|-----|
| Packaging made with recycled cardboard | Yes |
| Packaging without single use plastic   | No  |

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture |     |
|--------------------------|-----|
| Take-back                | Yes |
