

**Manifold sub-base**  
**NAV-1/2-3C-ISO**  
Part number: 10175

 [General operating condition](#)

**Data sheet**

| Feature                | Value                |
|------------------------|----------------------|
| Designation to VDMA    | VDMA 24345-C-3       |
| Conforms to standard   | ISO 5599-1           |
| Certification          | UL - Recognized (OL) |
| LABS (PWIS) conformity | VDMA24364-B1/B2-L    |
| Product weight         | 700 g                |
| Pilot air port 12/14   | G1/8                 |
| Pneumatic connection 2 | G1/2                 |
| Pneumatic connection 4 | G1/2                 |
| Housing material       | Die-cast aluminum    |
