

# Bellows kit DADB-V6-63-S251-300

Part number: 553339

FESTO

 [General operating condition](#)

## Data sheet

| Feature                          | Value                                     |
|----------------------------------|---|
| Outside diameter                 | 57 mm                                     |
| Size                             | 63  |
| Stroke range                     | 251 mm ... 300 mm                         |
| Piston rod extension             | 86 mm                                     |
| Design                           | Round                                     |
| Mounting position                | Any                                       |
| Structural design                | With ducted exhaust                       |
| Corrosion resistance class (CRC) | 3 - High corrosion stress                 |
| LABS (PWIS) conformity           | VDMA24364-B2-L                            |
| Media resistance                 | Dust<br>Chips<br>Oils<br>Grease<br>Petrol |
| Degree of protection             | IP54                                      |
| Ambient temperature              | -10 °C ... 80 °C                          |
| Product weight                   | 145 g                                     |
| Type of mounting                 | Push-fitted<br>With threaded pin          |
| Pneumatic connection             | G1/4                                      |
| Note on materials                | RoHS compliant                            |
| Adaption parts material          | PA-reinforced                             |
| Seals material                   | NBR                                       |
| Bellows material                 | NBR                                       |
| Threaded pin material            | high-alloy stainless steel                |
