## bar-mountedcontactor-TeSysLC1-BP-2poles-AC-11000V2000A-coil440VAC

LC1BP32R22

! Discontinued

### Main

|                                |                                                       |
|--------------------------------|-------------------------------------------------------|
| Range                          | TeSys                                                 |
| Product name                   | TeSys B                                               |
| Product or Component Type      | Contactor                                             |
| Device short name              | LC1BP                                                 |
| Contactor application          | Motor-heating-lighting                                |
| Utilisation category           | AC-1                                                  |
| Control circuit type           | AC                                                    |
| Coil type                      | Standard                                              |
| Poles description              | 2P                                                    |
| Pole contact composition       | 2 NO                                                  |
| [Ie] rated operational current | 2000 A (at <104 °F (40 °C)) AC AC-1 for power circuit |
| Auxiliary contact composition  | 2 NO + 2 NC                                           |
| [Uc] control circuit voltage   | 440 V AC 50...400 Hz                                  |

### Complementary

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

[Environmental Data explained >](#)

[How we assess product sustainability >](#)

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture |                                                                                                                                                                                                                |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| WEEE Label               |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins. |
