Specifications

## chassis for drawout NW800..1600 - L1- 3 poles - 1600 A

48399

### Main

|                                    |                                                                                  |
|------------------------------------|----------------------------------------------------------------------------------|
| Product or component type          | Chassis                                                                          |
| Accessory / separate part category | Mounting accessory                                                               |
| Range compatibility                | Masterpact MasterPact NW circuit breaker                                         |
| Circuit breaker name               | MasterPact NW10L1<br>MasterPact NW12L1<br>MasterPact NW16L1<br>MasterPact NW08L1 |
| Poles description                  | 3P                                                                               |
| performance level                  | L1                                                                               |

### Complementary

|                    |                          |
|--------------------|--------------------------|
| Mounting mode      | Fixed                    |
| [In] rated current | 800 A at 40 °C<br>1600 A |

### Packing Units

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 68.0 cm   |
| Package 1 Width              | 77.0 cm   |
| Package 1 Length             | 60.0 cm   |
| Package 1 Weight             | 42.632 kg |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

Excluding VAT, FCA Jabal Ali & are subject to change – check with your local distributor.

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Environmental footprint

|                                                        |                                               |
|--------------------------------------------------------|-----------------------------------------------|
| Total lifecycle Carbon footprint                       | 1 471 kg CO2 eq.                              |
| Carbon footprint of the manufacturing phase [A1 to A3] | 197 kg CO2 eq.                                |
| Carbon footprint of the distribution phase [A4]        | 5 kg CO2 eq.                                  |
| Carbon footprint of the installation phase [A5]        | 7 kg CO2 eq.                                  |
| Carbon footprint of the use phase [B2, B3, B4, B6]     | 1 192 kg CO2 eq.                              |
| Carbon footprint of the end-of-life phase [C1 to C4]   | 71 kg CO2 eq.                                 |

## Use Better

### Materials and Substances

|                                        |                                                                                                                                       |
|----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Packaging made with recycled cardboard | Yes                                                                                                                                   |
| Packaging without single use plastic   | No, we have minimized the use of plastic in the packaging in compliance with regulations and considering quality and safety standards |
| SCIP Number                            | 0df10453-237c-4c3b-9f16-b1635ca110ac                                                                                                  |
| EU RoHS Directive                      | <a href="#">Compliant By Exemption</a>                                                                                                |
| REACH Regulation                       | <a href="#">Reference contains Substances of Very High Concern above the threshold</a>                                                |
| Halogen-free status                    | Product contains halogen above thresholds                                                                                             |

## Use Longer

### Lifetime extension

|        |    |
|--------|----|
| Repair | No |
|--------|----|

## Use Again

### Repack and remanufacture

|                                 |                                                                                                                                                                                                                 |
|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Recyclability potential, in %   | 69                                                                                                                                                                                                              |
| End of life manual availability | <a href="#">End of Life Information</a>                                                                                                                                                                         |
| Take-back                       | No                                                                                                                                                                                                              |
| WEEE Label                      |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
