

RC element motor suppression module for installation on motor terminal box, type of construction round, 3x 400...575 V AC/4 kW

|                            |   |                          |
|----------------------------|---|--------------------------|
| product designation        |   | Motor suppression module |
| design of the product      |   | Round                    |
| wire length                | m | 0.15                     |
| number of electrical cores |   | 3                        |
| number of poles            |   | 3                        |
