## Alarm software for Zelio Logic Free download

ESR2SFT02

### Main

|                              |                                                                                                          |
|------------------------------|----------------------------------------------------------------------------------------------------------|
| Range of product             | Zelio Logic                                                                                              |
| Product or component type    | Software                                                                                                 |
| Format                       | Free download                                                                                            |
| Software type                | Programming software                                                                                     |
| Operating system requirement | Windows 7 64 bits<br>Windows 7 32 bit<br>Windows 10 64 bit<br>Windows 10 32 bit<br>Windows 8.1 32/64 bit |
| User language                | Multilingual                                                                                             |

### Complementary

|                       |                                             |
|-----------------------|---------------------------------------------|
| Product compatibility | Zelio Logic compact and modular smart relay |
| Software designation  | Zelio Logic Alarm                           |
| Software function     | Alarm                                       |

### Packing Units

|                              |     |
|------------------------------|-----|
| Unit Type of Package 1       | PCE |
| Number of Units in Package 1 | 1   |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.
