## TeSys F - terminal shroud for contactor 4P

LA9F706

### Main

|                                    |                                                        |
|------------------------------------|--------------------------------------------------------|
| Range                              | TeSys                                                  |
| Device short name                  | LA9F                                                   |
| Product or component type          | Terminal shroud                                        |
| Accessory / separate part category | Protection accessory                                   |
| Range compatibility                | TeSys LC1F contactor<br>TeSys LC2F reversing contactor |
| Product compatibility              | LC2F1154<br>LC1F1154                                   |
| Quantity per set                   | Set of 8                                               |
| Poles description                  | 1P                                                     |

### Complementary

|                   |                   |
|-------------------|-------------------|
| Mounting location | On power terminal |
| Net weight        | 0.3 kg            |

### Packing Units

|                              |          |
|------------------------------|----------|
| Unit Type of Package 1       | PCE      |
| Number of Units in Package 1 | 1        |
| Package 1 Height             | 7.0 cm   |
| Package 1 Width              | 8.0 cm   |
| Package 1 Length             | 16.0 cm  |
| Package 1 Weight             | 201.0 g  |
| Unit Type of Package 2       | S03      |
| Number of Units in Package 2 | 21       |
| Package 2 Height             | 30.0 cm  |
| Package 2 Width              | 30.0 cm  |
| Package 2 Length             | 40.0 cm  |
| Package 2 Weight             | 4.728 kg |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

Excluding VAT, FCA Jabal Ali & are subject to change – check with your local distributor.

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

[Environmental Data explained >](#)

[How we assess product sustainability >](#)

### Use Better

| Materials and Substances |                           |
|--------------------------|---------------------------|
| EU RoHS Directive        | <a href="#">Compliant</a> |

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture |                                                                                                                                                                                                                 |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Take-back                | Nej                                                                                                                                                                                                             |
| WEEE Label               |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
