Specifications

## Isobar B - distribution board - 250 A - 400/415 V - 8 ways - IP31 - RAL 9001

MGBN8

⚠ Discontinued on: 15 Dec 2017

⚠ Discontinued

### Main

|                           |                    |
|---------------------------|--------------------|
| Product or component type | Distribution board |
| enclosure type            | Standard           |

### Complementary

|                                |                       |
|--------------------------------|-----------------------|
| Enclosure mounting             | Surface               |
| [Ie] rated operational current | 250 A at 400/415 V AC |
| Height                         | 538 mm                |
| Width                          | 470 mm                |
| Depth                          | 139 mm                |

### Environment

|           |               |
|-----------|---------------|
| Standards | BS EN 60439-3 |
|-----------|---------------|
