Specifications

## External neutral module, FuPacT GS, 200A to 250A, for direct neutral not switched

LV481904

### Main

|                                    |                                                                                                                                                          |
|------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product or component type          | Neutral pole module                                                                                                                                      |
| Accessory / separate part category | Connection accessory                                                                                                                                     |
| Range compatibility                | FuPacT FuPacT GS GSB200 switch-disconnector-fuse<br>FuPacT FuPacT GS GSB250 switch-disconnector-fuse<br>FuPacT FuPacT GS GSD250 switch-disconnector-fuse |

### Complementary

|                         |                   |
|-------------------------|-------------------|
| Mounting mode           | External mounting |
| Connections - terminals | Screw             |

### Packing Units

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 6.500 cm  |
| Package 1 Width              | 16.000 cm |
| Package 1 Length             | 25.000 cm |
| Package 1 Weight             | 1.155 kg  |
| Unit Type of Package 2       | S02       |
| Number of Units in Package 2 | 2         |
| Package 2 Height             | 15.000 cm |
| Package 2 Width              | 30.000 cm |
| Package 2 Length             | 40.000 cm |
| Package 2 Weight             | 2.630 kg  |

### Logistical informations

|                   |    |
|-------------------|----|
| Country of origin | FR |
|-------------------|----|

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Use Better

| Materials and Substances               |                                                                             |
|----------------------------------------|-----------------------------------------------------------------------------|
| Packaging made with recycled cardboard | No                                                                          |
| Packaging without single use plastic   | Yes                                                                         |
| EU RoHS Directive                      | <a href="#">Compliant</a>                                                   |
| REACH Regulation                       | <a href="#">Free of Substances of Very High Concern above the threshold</a> |

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture |                                                                                                                                                                                                                 |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Take-back                | No                                                                                                                                                                                                              |
| WEEE Label               |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
