Specifications

## BCiM, MasterPacT MTZ1/MTZ2/MTZ3 Active fixed 4 poles, breaker communication and isolation module ULP

LV948188

### Main

|                           |                                                                            |
|---------------------------|----------------------------------------------------------------------------|
| Range of product          | MasterPact MTZ                                                             |
| Product or component type | Communication module                                                       |
| Range compatibility       | MasterPacT MTZ1 Active<br>MasterPacT MTZ2 Active<br>MasterPacT MTZ3 Active |

### Complementary

|                            |             |
|----------------------------|-------------|
| Communication network type | ULP         |
| Mounting mode              | Fixed       |
| Localisation on device     | Basic frame |
| [Us] rated supply voltage  | 24 V DC     |
| Maximum supply current     | 0.025 A     |

### Environment

|                         |      |
|-------------------------|------|
| IP degree of protection | IP40 |
|-------------------------|------|

### Packing Units

|                              |        |
|------------------------------|--------|
| Unit Type of Package 1       | PCE    |
| Number of Units in Package 1 | 1      |
| Package 1 Height             | 4.3 cm |
| Package 1 Width              | 6.4 cm |
| Package 1 Length             | 9 cm   |
| Package 1 Weight             | 700 g  |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

Disclaimer: This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Use Better

| Materials and Substances               |                                                                                        |
|----------------------------------------|----------------------------------------------------------------------------------------|
| Packaging made with recycled cardboard | Yes                                                                                    |
| SCIP Number                            | 0a029c47-09b0-4f7a-a6a7-564e4583d1ef                                                   |
| EU RoHS Directive                      | <a href="#">Compliant By Exemption</a>                                                 |
| REACH Regulation                       | <a href="#">Reference contains Substances of Very High Concern above the threshold</a> |

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture |                                                                                                                                                                                                                 |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Take-back                | No                                                                                                                                                                                                              |
| WEEE Label               |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
