General information																																					
Product type designation	IPC677E																																				
Display																																					
Design of display	19" TFT multi-touch																																				
Screen diagonal	19 in																																				
Resolution (pixels)																																					
• Horizontal image resolution	1 920 pixel																																				
• Vertical image resolution	1 080 pixel																																				
Backlighting																																					
• MTBF backlighting (at 25 °C)	50 000 h																																				
Control elements																																					
Touch operation																																					
• Design as touch screen	Yes																																				
• Design as multi-touch screen	Yes; Projective-capacitive																																				
Installation type/mounting																																					
central design	Yes																																				
Mounting in portrait format possible	Yes																																				
Power loss																																					
In full configuration	155 W																																				
Dimensions																																					
Width of the housing front	464 mm																																				
Height of housing front	294 mm																																				
Mounting cutout, width	448 mm																																				
Mounting cutout, height	278 mm																																				
mounting depth	120 mm																																				
Weights																																					
Weight, approx.	9.5 kg
