## Din Rail adapter for Box STM6

HMIZM6DSA

### Main

|                                    |                      |
|------------------------------------|----------------------|
| Range of product                   | Harmony STM6         |
| Product or component type          | DIN rail adaptor     |
| Accessory / separate part type     | Adaptor              |
| Accessory / separate part category | Adaptation accessory |

### Complementary

|                                       |                                   |
|---------------------------------------|-----------------------------------|
| Accessory / separate part destination | STM6 display                      |
| Electrical connection                 | 1 female connector RJ45 connector |

### Environment

|                        |                                  |
|------------------------|----------------------------------|
| Product certifications | DNV<br>ABS<br>RINA<br>BV<br>UKCA |
|------------------------|----------------------------------|

### Packing Units

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 5.700 cm  |
| Package 1 Width              | 18.500 cm |
| Package 1 Length             | 26.500 cm |
| Package 1 Weight             | 395.000 g |
| Unit Type of Package 2       | S03       |
| Number of Units in Package 2 | 10        |
| Package 2 Height             | 30.000 cm |
| Package 2 Width              | 30.000 cm |
| Package 2 Length             | 40.000 cm |
| Package 2 Weight             | 4.583 kg  |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

## Use Better

### Materials and Substances

|                                        |                                                                             |
|----------------------------------------|-----------------------------------------------------------------------------|
| F-gas free                             | Only air and vacuum used for insulation / breaking, no F-gas including SF6  |
| Packaging made with recycled cardboard | No                                                                          |
| Packaging without single use plastic   | No                                                                          |
| EU RoHS Directive                      | <a href="#">Compliant</a>                                                   |
| REACH Regulation                       | <a href="#">Free of Substances of Very High Concern above the threshold</a> |
| Halogen-free status                    | Product contains halogen above thresholds                                   |
| PVC free                               | No                                                                          |
| Silicone-free                          | No                                                                          |

## Use Longer

### Lifetime extension

|        |    |
|--------|----|
| Repair | No |
|--------|----|

## Use Again

### Repack and remanufacture

|                                 |                                                                                                                                                                                                                 |
|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| End of life manual availability | <a href="#">End of Life Information</a>                                                                                                                                                                         |
| Take-back                       | Yes                                                                                                                                                                                                             |
| WEEE Label                      |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
